## FROM THE PASTOR

*Laudetur Jesus Christus! Gelobt sei Jesus Christus! Sia lodato Gesù Cristo! Praised be Jesus Christ!*

The parish 'year' is about to get very busy. On page five, please find a list of many of the events between now and the end of October. Please mark your calendars now, so that you don't miss any of these special events!

Today I present a Catechesis from St. Francis de Sales on the public prayers or offices of the Church. Vespers is one of these 'Offices' found within the Divine Office, those Psalms and prayers which Priests and Religious promise to say with and for the Church. The Church, most recently at Vatican II, has always encouraged the faithful to participate in the Office, especially at Sunday Vespers. We celebrate public Vespers each week at Old St. Mary's. I encourage each of you to try to join us on Sunday at 3:30. There is Adoration of the Blessed Sacrament following the 12:30 Mass until Benediction just before Vespers. Vespers is chanted in Latin, with books provided for the faithful's participation. I hope to you see there every Sunday, or at least from time to time!

St. Francis de Sales devoted a whole chapter in his book, *The Introduction to the Devote Life*, to participation in the Divine Office. I hope that you find this helpful. Have a blessed week ahead!

Fr. Paul Beach

"Furthermore, my child, you should endeavor to assist at the Offices, Hours, Vespers, etc., as far as you are able, especially on Sundays and Festivals, days which are dedicated to God, wherein we ought to strive to do more for His Honor and Glory than on others. You will greatly increase the fervor of your devotion by so doing, even as did Saint Augustine, who tells us in his Confessions, that in the early days of his conversion he was touched to the quick, and his heart overflowed in happy tears, when he took part in the Offices of the Church. Moreover (let me say it here once for all), there is always more profit and more consolation in the public Offices of the Church than in private acts of devotion, God having willed to give the preference to communion in prayer over all individual action. Be ready to take part in any confraternities and associations you may find in the place where you are called to dwell, especially such as are most fruitful and edifying. This will be pleasing to God; for although confraternities are not ordained, they are recommended by the Church, which grants various privileges to those who are united thereby. And it is always a work of love to join with others and take part in their good works. And although it may be possible that you can use equally profitable devotions by yourself as in common with others, --perhaps even you may like doing so best, --nevertheless God is more glorified when we unite with our brethren and neighbors and join our offerings to theirs.

I say the same concerning all public services and prayers, in which, as far as possible, each one of us is bound to contribute the best example we can for our neighbor's edification, and our hearty desire for God's Glory and the general good of all men." - St. Francis de Sales
